All Women Welcome!

This drop in welcomes women of all ages and backgrounds. The drop in is a women's only social group allowing women to attend, free of charge, on an informal basis, to meet new friends and have fun. Lunch is included as well as discussions, talks and a comfy friendly space to have a brew and a chat. A vegetarian option for lunch is always available.

We offer well-being workshops and creative activities during some of the drop in sessions.

The drop in allows women to socialise in a safe and supportive environment.
